

356 Shops & Services

This list of shops was constructed from suggestions by 356 owners as well as internet searches about "vintage air cooled and 356 Porsche". Some shops may have been missed and maybe, some shops on the list shouldn't be. **356CAR does not endorse any of these shops** and the list was made without any judgments or critiques. All contacts and work contracted shall be the responsibility of the customer. Date compiled: July, 2024
